

**ARTICLE X  
GOVERNMENT DISTRICT (G)**

**Section 10.1 Intent** - To preserve and protect from development certain outstanding natural features, including forests, beaches, dune formations, and ancient glacial phenomenon, along with the scenic beauty and natural character of the area. This is to be accomplished while at the same time providing for recreational activities consistent with the maximum protection of the natural environment of the district.

**Section 10.2 Permitted Uses**

All permitted uses within the boundaries of the Sleeping Bear Dunes National Lakeshore are subject to provisions outlined in individual agreements entered into by the owner of any real property within this district and the National Park Service, as authorized by Public Law 91-479.

All land in the Government District owned by the State, County and Township shall be used in a manner deemed appropriate by the owner agency.

Any parcel in the Government District transferred to a non-government entity shall immediately take on the zoning designation of the adjoining district. In the event the parcel is adjacent to two or more separate zoning districts, the parcel's designation will be subject to a ruling by the Planning Commission which shall designate the parcel to the most restrictive zoning district.
